

Effluents Pipeline: Fishermen's Demands Conceded

Express News Service

Visakhapatnam: District collector N Yuvaraj said that the government had accepted to pay ₹70,000 as financial assistance to each affected fisherman family of the pipeline at Pudimadaka. Chief Minister N Chandrababu Naidu during the recent visit to the BSOs, including the latest one in Vijayawada, wants to make its Vijayawada BSO the largest among the lot. At present the BSOs are divided into three categories - A (1 lakh metric tonnes and above per annum), B (50,000 to 1 lakh metric tonnes per annum) and C (less than 50,000 metric tonnes per annum). Vijayawada BSO will be A+.

The collector convened a meeting with police and revenue officials on Friday to kickstart the works to lay the pipeline. In the meeting, the collector said that the government had also agreed to construct a fishing jetty and a company was asked to prepare detailed project report for the jetty. The collector also made some profit by being part of the expected infrastructure boom in the country in the coming years.

"Demand for steel is increasing and we too have increased our production capacity from 3 million tonne per annum to 6.3 million tonne per annum and plan to scale it up to 7.3 million tonne per annum by modernising existing facilities by 2017-18," he explained.

Income Tax Sops, Increase in Defence Expenditure Expected

GITAM Institute of Management students conducted sample survey ahead of Budget

Express News Service

Visakhapatnam: Employees in Visakhapatnam city seem to be expecting a considerable increase in the income tax slab and the tax deductions limit on the housing loan. While general public expects more measures to be taken by the government to support the steel industry, the steel industry officials expect the government to announce a special package for the state.

According to the survey, the priorities of the budget would be jobs and economic development (46 per cent),

subsidy using Aadhaar will be made mandatory. Over 82 per cent citizens strongly predict huge funds for urban infrastructure and another 87 per cent are expecting the government to take measures to reduce food inflation.

As per the survey, about maximum tax deduction on the payment of home loan interest from the existing ₹2 lakh. More than two-thirds of the respondents wanted the government to increase defence expenditure and also reduce subsidies, including LPG subsidy to the rich.

In accordance with national steel policy of the Central government, special purpose vehicles are being set up in different states for development of steel plants and as part of Odisha based SPV, Vizag steel was nominated as the lead plant.

"We have made the proposal and the draft MoU is still under the perusal of Odisha government," Madhusudhan explained.

to commence operation in three years' time.

Vizag Steel will be setting up a wheel manufacturing unit in Uttar Pradesh with an investment of ₹1,500 crore in the next three years to manufacture 1 lakh metric tonnes of wheels for Indian Railways. Similarly, it is investing another ₹500 crore for setting up axle manufacturing unit with capacity of 50,000 metric tonne in West Bengal. The negotiations are under progress.

maximum tax deduction on the payment of home loan interest from the existing ₹2 lakh. More than two-thirds of the respondents wanted the government to increase defence expenditure and also reduce subsidies, including LPG subsidy to the rich.
